

## **2022 Food & Beverage Minimum**

All adult members of KenWo Golf Club are required to spend a minimum of \$150 (before tax and gratuity) within the Food & Beverage operation at the club between January 1<sup>st</sup> and October 31<sup>st</sup>, 2022. As we enter the 2023 season, the minimum spend requirement will run annually from November 1<sup>st</sup> to October 31<sup>st</sup>

The minimum spend requirement includes all F&B purchases made in the Dining Room, Bar, Turn Canteen and Beverage Cart. Registration / entry fees for special events such as club tournaments, dinners, closing banquets, etc., will not count towards a members annual minimum spend requirements.

There are no upfront or advance payments required for your member/F&B house account. Throughout the season, your purchases within the various F&B outlets at the club will be tracked on your member house account, whether you pay cash, debit, credit, or charge to your account. Should you not reach the minimum spending requirement of \$150 by October 31<sup>st</sup>, your member account will be billed for the difference.

For example, Craig is an Adult member with a required spending amount of \$150 (before tax and gratuity). As of October 31<sup>st</sup>, Craig has spent \$100 in the F&B Operation throughout the season. Therefore, Craig will be billed the difference that would amount to \$50.00 plus hst.
